

SoluCAL™

Calcium solution

DESCRIPTION:

Finally! A calcium supplement without the inconveniences of constipation.

SoluCAL is a liquid Calcium Lactogluconate supplement that provides 500mg of calcium in just 25ml.

In liquid form, it can easily be added to your food or beverage. Take SoluCAL at any time of the day or sip it slowly in your water throughout the day.

SoluCAL Calcium supplement is the only in its category offering 3 deliciously fruity flavors. Customers love it, just as much as doctors love to recommend it.

SoluCAL is ideal if you:

- take PPIs (antacids, ..)
- have difficulty swallowing
- want to diversify your calcium routine
- have side effects, such as constipation, with the use of your current calcium supplement

**Taking your calcium has never been so simple.
Ask for SoluCAL!**

*Sweetened with sucralose

1. Continuing education in calcium, interview with Mr. Jean-Yves Dionnes, B.Sc. Pharm. Pharmacist, expert adviser on natural health products

AVAILABLE FORMATS:

300mL; 700mL; 1.5L; Unidose 25mL

PRODUCT KEY POINTS

- Avoids bloating and abdominal pain related to the use of calcium supplements
- Only Lactogluconate Calcium supplement in 3 flavors (sugar-free*)
- Better absorbed than citrate¹
- 25 ml of SoluCAL = 500 mg calcium

**SOLUCAL IS ALSO
AVAILABLE
WITH VITAMINE D**
